

Ismael Rivela Jelliti

Madrid, Spain | ismael.creative@levamps.com | levamps.com | linkedin.com/in/ismaelrivelaajelliti

SUMMARY

Creative director and multidisciplinary designer based in Madrid. Concept development, art direction, brand identity, visual systems, motion design, 3D and digital experiences. Builds creative tools and production workflows with AI-assisted design, generative AI exploration and rapid prototyping to move from concept to delivery faster. Experience across global campaigns, identity design and creative technology for fashion, lifestyle, culture and advertising.

EXPERIENCE

Concept Creative and Designer

2025 - Present

Bnomio Studio

Collaborator

- Led concept development, creative direction and art direction for brand identity projects
- Delivered naming, visual identity systems, typography, content design and digital brand experiences
- Used AI-assisted design exploration and rapid prototyping in concept and production phases

Freelance Designer

2024 - Present

Independent

Remote

- Delivered brand identity, art direction, motion design and digital creative production on demand
- Built small design tools and prototypes with AI-assisted development when briefs required faster iteration

Digital Artworker

2023 - Present

WPP Production

Madrid, Spain

- Managed brand adaptation, retouching, digital asset delivery and team coordination for global campaigns
- Produced digital campaign assets and adaptations for Movistar, LaLiga and Iberdrola
- Maintained quality and consistency across high-volume digital production pipelines
